In re Patent No. 7,802,629 :
Issue Date: September 28, 2010 :
Application No. 10/589,716 : **DECISION ON PETITION**
Filed: April 3, 2008 :
Attorney Docket No. 3836 :

This is a decision on the Petition For Certificate Of Correction, filed November 24, 2010, which is being treated as Petition Under 37 CFR §3.81(b), to identify the correct second assignee's name. A completed Certificate of Correction Form (PTO/SB/44) was submitted with Petition.

The petition under 37 CFR §3.81(b) is **GRANTED**.

Petitioner urges that the present Petition was submitted to correct the second assignee's name on the previously submitted PTOL 85B. Accordingly, petitioner urges, in effect, that the Title Page of the above-identified patent be corrected, via issuance of Certificate of Correction, to correct the second assignee's name identified thereon from:

“**Forteg** Brandschutz GmbH & Co. KG”
to:
--**Fogtec** Brandschutz GmbH & Co KG.--

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter.

The requisite \$100.00 fee (Fee Code 1811), as set forth under 37 CFR 1.20(a), has been submitted. However, the requisite \$130.00 processing fee (Fee Code 1464), as set forth under 37 CFR 1.17(i), is required. Therefore, since the petition was accompanied deposit account authorization, the fee has been charged. Further, Office assignment records are consistent with the requested correction. Accordingly, since the Petition complies with the provisions of 37 CFR 3.81(b), it is appropriate for the Office to issue a Certificate of Correction in accordance with the content of the Form (PTO/SB/44) submitted with Petition.

Inquiries related this communication should be directed to the undersigned at (571)272-3213.

Any questions concerning the issuance of a Certificate of Correction should be directed to the Certificates of Correction Branch at (703)756-1814.

This matter is being referred to the Certificates of Correction Branch for processing of a Certificate of Correction in U.S. Patent No. 7,802,629.

A handwritten signature in black ink, reading "Cheryl Gibson-Baylor". The signature is written in a cursive, flowing style.
